Health and Safety Requirements

1. Drinks only (no food items or craft items). Lemonade can be homemade or a mix. Hot drinks are approved during cooling morning months.
2. Hand washing station is the best way to prevent the spread of disease. Hand sanitizers should not be used as a replacement for hand washing. A hand washing station is available at the market and should be used regularly for cleaning of hands and utensils
3. Ice must be kept in closed/covered containers and dispensed with clean utensil. Ice used for consumption with drinks must be stored separately than ice used to keep beverage containers chilled

Have Fun With It

The Lemonade Farm Stand Day is created to encourage our youth in the responsibilities of a farm stand and the fun marketing a product of their own. In the spirit of a true business ownership reserve your stand for 50 cents (due on the day of the event), make a product of your favorite lemonade drink, and market your lemonade by selling it at your own stand. The Owen County Farmers' Market is excited to host this weekly event. Youth are responsible for chairs, lemonade, ice, and storage. A lemonade stand with whiteboard will be provided.

Vending Time Options: 8:30a to 12:30p or 10:00a to 12:30p. Please specify time when registering.
